MIXED BOUQUETS

ADDED VALUE MIXED BOUQUETS

With a comprehensive range of flowers, fillers, and foliage's, we are redefining Kenyan cut flowers with the design and production of added-value mixed bouquets.

We ship over 300 million added-value mixed bouquets per annum which are supplied to leading UK and European retailers and florists.

We offer a complete service from bespoke bouquet design to packaging design and procurement.

Alternatively, we can procure packaging to customer design including delivery boxes, sleeves, wraps, labels, flower food and added value components.

Below we have designed a vibrant range of mixed bouquets suitable for all customers, with the aim of maximising aesthetic and value perception.

Please contact us for more information and to discuss your requirements.
